Usage Monitoring and Leak Detection:

It is important to monitor your water consumption for possible leaks in your home. Running toilets, stop and waste valves, and water heaters are the most frequently reported water leaks. These leaks can be expensive. Finding and repairing them quickly will save you money. **Did you know, your sewer bill is based off your winter water usage?** Repairing winter water leaks will save you money all year long!

Discontinuance of Utilities for Nonpayment:

Disconnection of water service and/or retrieval of solid waste containers will occur on any account that has a delinquent balance for more than two (2) consecutive billing periods and totaling one hundred twenty-five dollars (\$125.00) or more. **Service restoration will occur once a \$100 service fee and the account are paid in full.**
